

The Mississippi Episcopalian, official newspaper of the Diocese of Mississippi, is published monthly, and is mailed free to every family in the diocese. Submit stories of local or diocesan-wide interest. Quotations are a plus! Photographs are encouraged and welcomed: photograph for facial recognition. A wise editor once said, "we don't need to know what one's shoes look like." We accept printed photos as well as digital. Please send jpegs (digital photos attached to emails) that are at least 1 MB in size. Contact Scott Lenoir, our editor, via the information listed below. The deadline for each issue is the 1st Tuesday of the month.
